

Cathy was a Mom, a Grandma, a sister, a daughter, a friend. Her life and my friendship with her were the inspiration for Compassion In Action – USA. We would not exist today if she had not been a part of my life. God does work in mysterious ways. Cathy's walk with her Lord was evident in the love she extended to others, in her hugs, and in her bravery as she faced the horrors of breast cancer.

Cathy, I will never forget you!
I love you!
