

Compassion in action is an awesome organization that helps people who are disabled. My daughter needed help and my husband and I were at a loss on how to get it. Compassion in Action helped with all the paper work and documents that we needed to get help for our daughter. Thank you Barbara for all you do. You are a blessing and we thank you for all your time you took to help us. I've personally received help with this organization. Without their help many people would not know what to do when they are faced with a family member who is disabled. Organization and compassion is sincerely what you get. Compassion in Action is a great.
