Dear Compassion,

Just a quick note to let you know how much I appreciated your help in my Social Security Disability Hearing. As you now know my case was won!!

Just having you there for support and all the knowledge you brought to the table made the process much easier and I would recommend your services to anyone that needed the kind of expert help that you provided

I was treated with the utmost kindness and compassion just like your business name says.

Thank you again.

Sincerely,
Kristi
